Foreword

The coins offered for sale cover a wide range of numismatic interest from the Celtic coinages to the present century, and include most countries of the world. The catalogue presents them in alphabetical order, country by country, with the gold and silver integrated where applicable. All the important coins are illustrated by direct photography, and inserted within the text.

Particular mention should be made of the French, British and Anglo-Gallic gold, the Scandinavian silver, best represented by Denmark, the Anglo-Hannoverian Thalers and the extremely rare group of 13 Spanish Cinquentinas (50 reales).

To facilitate the use of the catalogue there is an index of countries and a comprehensive bibliography.

Sale Catalogues

On the average we issue twelve or more Coin Catalogues and three Naval & Military Medal Catalogues each year, some of which are usually of sales of important Collections.

Catalogue Subscriptions
Sale Catalogues, frequently illustrated, are normally posted to Subscribers about three weeks prior to the date of Sale.

Lists of 'Prices Realised' are issued after each Sale, thus given in books of reference, for changing times and fashions value must always be auction prices rather than the figures given in books of reference, for changing times and fashions soon render the latter obsolete and misleading. The Lists of 'Prices Realised' will probably be enclosed in a following Sale Catalogue.

Subscription Rates (*commencing from 1st January*)
Coin Catalogues and subsequent list of Prices Realised . . . . . £3.00 per annum
Naval & Military Medal Catalogues and subsequent list of Prices Realised . . . . . £0.75 per annum
(Reductions for new subscribers commencing after 1st April.)
All subscriptions expire on 31st December, and renewal reminders are issued. Catalogues of past Sales cannot be supplied.

Air Mail
To allow subscribers resident outside Europe time to submit postal bids, Pre-Sale Catalogues will, if desired, be sent by Air Mail. Air Mail postage is not, however, included in the Subscription Rate and the cost must be borne by the Subscriber. In such cases an additional £2.00 should be sent as a deposit and we will advise when this is exhausted.
